

Under Canvas Yellowstone Adventures

Private Driving Tour

This is a private guided tour of Yellowstone National Park and the surrounding areas. All the tours are custom and private, catering to the desires and curiosity of our clients. See wildlife in the Hayden and Lamar Valleys, take in the views of Yellowstone's Grand Canyon, and awe in the wonders of the park's world-class display of geothermal features.

*Pricing based on group size and availability.

Lower Loop Public Tour

The highlights of Yellowstone in a nutshell. Famous for its waterfalls, wildlife, and geysers, this tour was created to give you a taste of it all. You'll start the day heading to geyser country with our experienced guide, stopping for wildlife, photography and a few guided walks before arriving at the famous Old Faithful and more.

*Tours operate from May 6-October 8; trips run every day from 8:30am-4pm, lunch included.

Upper Loop Public Tour

This tour begins mid-day and ends late to take advantage of the wildlife emerging to feed during the evening hours. We pack a picnic and head to the northern reaches of Yellowstone. As the sun starts to set, our search for wildlife in the Lamar Valley and Dunraven Pass begins. Keep the camera ready: elk, bison, moose, wolves and bear frequently make an appearance.

*Tours operate from May 13-October 1; trips run every day from 1pm-9pm, dinner included.

West Yellowstone Helicopter Tour

Take a scenic helicopter tour over the mountain scenery of West Yellowstone and the Grand Tetons. Come explore hidden mountain reservoirs, majestic mountain ranges, lush mountain meadows and try your luck at spotting the numerous animals living in the back country. Free shuttle pick-up or direct helicopter pick-up from our location. Come join us for a flight!

*Pricing based on group size and availability.

Fly Fishing (Full and Half Day)

Our fly fishing guides are eager to help you step into some of the best fly fishing in Yellowstone National Park. Anglers can fish the canyon waters in the Yellowstone Canyon just a short distance from the road where the cutthroat trout love streamers and big dry flies. There are also the glassy waters of the Firehole, where the rainbows and browns are waiting to sip your mayflies, all while enjoying the geysers churn, wildlife graze and viewing the most amazing scenery in Yellowstone National Park

*Pricing based on availability. All guided trips include transportation from and to Yellowstone Under Canvas, all flies, all leaders and tippet material. Lunch is included on full-day trips. We will also provide the use of rod/reel combo and wading gear appropriate to the season. Limited to ages 7 & up. Montana fly fishing licenses are required and are sold at the fly shop.

Whitewater Rafting (Full and Half Day)

Departure for both trips are from Big Sky, MT. Prepare for a whitewater trip you will never forget. Riverside lunch will be provided for **full day** trips. There are three options with the **half day** trip: the **scenic float** is a mellow experience offering guests with wildlife sightings and great scenery; the **upper** whitewater route is a bit more adventurous and perfect for those who want a few epic splashes; the **lower** whitewater route is the most difficult and extreme of the routes as it offers rock wall viewings and class III-IV rapids in the Gallatin River Canyon.

*Minimum age requirement is 6 years old. **These trips are weather dependent.** Trips run May 1-September 4.

Horseback Rides (Morning, Afternoon and Evening Tours)

Conveniently close to our location, these rides will take guests high enough into the mountains to see the beautiful rolling range of the surrounding areas. Views of Hebgen Lake, the Continental Divide, the city of West Yellowstone, and Yellowstone National Park are all included in this adventure.

*Minimum age requirement is 6 years old. Departure time is 9:30 am for the morning ride and 1:30 pm for the afternoon ride; both are three hours long. The evening ride departs at 5:30 pm and is two hours long. **No rides on Sunday.**

*We also provide private horseback rides. Inquire within for more details!

Guided Kayaking

Enjoy a half day guided kayaking trip on Hebgen Lake or Henrys Lake in this beautiful area. Take in the sights and sounds of Yellowstone Country and take time to cool off during the day. Transportation is covered to the lake and back to our location; get ready to paddle!

*Pricing depends on group size and availability.

Guided Biking Tours & Rentals

Pedal through the Yellowstone landscape and enjoy the sights and sounds of nature. Ride either road or mountain bikes to get a distinct perspective of this beautiful area. With a wide variety of trails, on and off the road, guests will never be disappointed cycling in Yellowstone.

*Pricing is based on availability. This guided tour includes lunch and a professional guided service.

*All rentals come with a helmet, water bottle and repair kit. Kid Carrier and Baby Stroller are also available upon request.

Custom guided biking tours are available upon request!

Zipline Adventure Park

Our zipline partners have built one of the first of its kind right in West Yellowstone, centrally located, which means this adventure is within walking distance of Yellowstone National Park. The Zipline Adventure Park features over a 1000' of ziplining thrills on 4 different, family oriented ziplines. Even more exciting is the giant ropes course, featuring 49 challenge elements including spiderwebs, rope bridges, log bridges and much more.

*Minimum age requirement is 4 years old for the Junior Ranger Course (ages 4-9). Minimum age requirement for the rest of the courses is 6 years old.

Massage

After an exhausting day of experiencing all that Yellowstone Country has to offer and pushing your body to its absolute limits, heal your achy joints and muscles with a relaxing in-tent or outdoor therapeutic massage. Massage relieves chronic pain, lowers blood pressure, improves flexibility, soothes sore muscles, and alleviates stress and anxiety. Restoring your physical, emotional, and spiritual wellbeing, you will feel relaxed, refreshed, and rejuvenated to experience another day of adventure tomorrow.
