Mindful Approach

By staying at Under Canvas, you take part in our mission to inspire connections with extraordinary places, people, and the planet by enhancing the outdoors. Connection with nature makes us healthier, happier ambassadors of the environment; our most precious commodity. This manifests in the design choices we make and the experiences we curate for our guests. Here are some of the ways we uphold our mission.

Thoughtful Innovation

Pioneering the outdoor hospitality space, we employ thoughtful enhancements across our camps designed to elevate the guest experience — through curated adventure programming, culinary innovation, and localized design aesthetic that reflects the surrounding natural environment.

Unplug and Recharge

Wifi is intentionally not offered to our guests, so that they can disconnect from technology and reconnect with others.

Environmental Consciousness

Guests will notice some design features throughout camp that go a long way towards preserving the great outdoors — pull chain showers, faucets that automatically shut off, low-flow toilets and a towel reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Additionally, low level lighting is used throughout camps, mitigating light pollution and amplifying the night sky.

Land Conservation

Under Canvas camps are designed to minimize disturbance and maximize open space, each with dedicated, undisturbed green spaces. Land donations, adaptive use, and partnerships with local conservation-based organizations are also part of our commitment.

In Good Company

We partner with brands who share the same care for our planet, including plant-based EO® bath products made in a zero waste facility, West Elm furnishings that support sustainable initiatives, and lululemon, who committed to 100% renewable electricity for their owned and operated facilities.

Giving Back to Nature

As lovers of the outdoors and the beautiful lands that surround our camps, Under Canvas has joined forces with The Nature Conservancy, a global environmental nonprofit working to conserve the lands and waters on which all life depends, to help fund conservation and raise awareness through education, volunteer efforts and donation programs. Working together to educate on the dual threats of the climate crisis and extreme loss of biodiversity, Under Canvas is building on our mission to inspire connections with extraordinary places, people, and the planet by enhancing access to the outdoors.

Brand Partners

Under Canvas Bryce Canyon is pleased to partner with the following brands, found throughout each of our sites and in our lobby retail selection:

- West Elm
- Bluestone Lane
- lululemon
- Parks Project

- Pendleton
- EO bath products
