Description

Located on over fifty acres of spectacular Montana ranchland with expansive valley and mountain views, Under Canvas North Yellowstone - Paradise Valley is ideally located near the north entrance of Yellowstone National Park. Located 20 minutes from the charming town of Livingston and 45 minutes from Bozeman, the North Yellowstone - Paradise Valley camp offers unprecedented access to Greater Yellowstone and complements its sister camp on the West side of the famed national park. In addition to providing access to lesser known but equally spectacular features of Yellowstone National Park, the Paradise Valley region has drawn recent fame via the *Yellowstone* television series, set in its breathtaking high mountain plains and ranchland. A highlight of Under Canvas North Yellowstone - Paradise Valley is the Yellowstone River, which flows through the property providing more than a mile of pristine and exclusive riverfront access, allowing for world-class fly fishing on-site and river float experiences steps from the lobby tent. Additional area offerings include bucket-list horseback riding through Montana's mountains and plains, world-class river rafting, hiking, and live music at nearby Pine Creek Lodge featuring top Bluegrass, Rock and Country artists from around the country.

Location

Paradise Valley is ideally positioned to provide unparalleled access to the north side of the country's first national park including major attractions such as Lamar Valley and Mammoth Hot Springs. Yellowstone National Park encompasses more than two million acres and spans three states, featuring dramatic canyons, alpine rivers, lush forests, hot springs and gushing geysers, including its most famous, Old Faithful. It is also home to hundreds of animal species, including bears, wolves, bison, elk and antelope. Much like Under Canvas's Grand Circle road-trip of camps, Under Canvas now offers a one-of-a-kind experience for travelers to stay and discover additional sections of Yellowstone National Park with a multi-camp itinerary.

Mindful Approach

By staying at Under Canvas, you take part in our mission to inspire connections with extraordinary places, people, and the planet by enhancing the outdoors. Connection with nature makes us healthier, happier ambassadors of the environment; our most precious commodity. This manifests in the design choices we make and the experiences we curate for our guests. Here are some of the ways we uphold our mission.

Thoughtful Innovation

Pioneering the outdoor hospitality space, we employ thoughtful enhancements across our camps designed to elevate the guest experience — through curated adventure programming, culinary innovation, and localized design aesthetic that reflects the surrounding natural environment.

Unplug and Recharge

WiFi is intentionally not offered to our guests, so that they can disconnect from technology and reconnect with others.

Environmental Consciousness

Guests will notice some design features throughout camp that go a long way towards preserving the great outdoors — pull chain showers, faucets that automatically shut off, low-flow toilets and a towel reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Additionally, low level lighting is used throughout camps, mitigating light pollution and amplifying the night sky.

Land Conservation

Under Canvas camps are designed to minimize disturbance and maximize open space, each with dedicated, undisturbed green spaces. Land donations, adaptive use, and partnerships with local conservation-based organizations are also part of our commitment.

In Good Company

We partner with brands who share the same care for our planet, including plant-based EO® bath products made in a zero waste facility, West Elm furnishings that support sustainable initiatives, and lululemon, who committed to 100% renewable electricity for their owned and operated facilities.

Giving Back to Nature

As lovers of the outdoors and the beautiful lands that surround our camps, Under Canvas has joined forces with The Nature Conservancy, a global environmental nonprofit working to conserve the lands and waters on which all life depends, to help fund conservation and raise awareness through education, volunteer efforts and donation programs. Working together to educate on the dual threats of the climate crisis and extreme loss of biodiversity, Under Canvas is building on our mission to inspire connections with extraordinary places, people, and the planet by enhancing access to the outdoors.
