Description

Located on over fifty acres of spectacular Montana ranchland with expansive valley and mountain views, Under Canvas North Yellowstone - Paradise Valley is ideally located near the north entrance of Yellowstone National Park. Located 20 minutes from the charming town of Livingston and 45 minutes from Bozeman, the North Yellowstone - Paradise Valley camp offers unprecedented access to Greater Yellowstone and complements its sister camp on the West side of the famed national park. In addition to providing access to lesser known but equally spectacular features of Yellowstone National Park, the Paradise Valley region has drawn recent fame via the *Yellowstone* television series, set in its breathtaking high mountain plains and ranchland. A highlight of Under Canvas North Yellowstone - Paradise Valley is the Yellowstone River, which flows through the property providing more than a mile of pristine and exclusive riverfront access, allowing for world-class fly fishing on-site and river float experiences steps from the lobby tent. Additional area offerings include bucket-list horseback riding through Montana's mountains and plains, world-class river rafting, hiking, and live music at nearby Pine Creek Lodge featuring top Bluegrass, Rock and Country artists from around the country.

Location

Paradise Valley is ideally positioned to provide unparalleled access to the north side of the country's first national park including major attractions such as Lamar Valley and Mammoth Hot Springs. Yellowstone National Park encompasses more than two million acres and spans three states, featuring dramatic canyons, alpine rivers, lush forests, hot springs and gushing geysers, including its most famous, Old Faithful. It is also home to hundreds of animal species, including bears, wolves, bison, elk, and antelope. Much like Under Canvas's Grand Circle road-trip of camps, Under Canvas now offers a one-of-a-kind experience for travelers to stay and discover additional sections of Yellowstone National Park with a multi-camp itinerary.

Mindful Approach

At Under Canvas, our mission is to inspire connections with extraordinary places, people, and the planet by enhancing access to the outdoors. We uphold that mission with our Mindful Approach, which comes to life through everything we do: from the design choices we make, to the experiences we curate for our guests, to the operational initiatives that we implement to help protect and preserve the natural environment.

Thoughtful Innovation: As pioneers in the outdoor hospitality space, we remain committed to employing thoughtful, low-impact development and operations initiatives across our destinations. We focus on intentionally integrating our camps into the surrounding natural environment and prioritize recycling, solar power, and carbon offset practices whenever possible.

Resource Conservation: We conserve water and energy with pull-chain showers, low-flow toilets, faucets that automatically shut off, low-level lighting, and a towel-reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Rechargeable, USB battery packs are used in guest tents in lieu of electricity, and Rivian Waypoints electric vehicle charging stations are available at select locations for guests to use throughout their stay.

International DarkSky principles: We reduce light pollution by following guidance from the International Dark-Sky Association. Like the DarkSky certified International Dark Sky Parks, Under Canvas incorporates environmentally responsible outdoor lighting, effective lighting policies, and education to help protect and preserve the night sky.

Land Conservation: Under Canvas destinations are designed to minimize disturbance and maximize open space. As such, we maintain dedicated, undisturbed green spaces at each camp.

In Good Company: We partner with brands that align with our mission and values—and share the same care for our planet. For example, plant-based EO® bath products are made in a zero-waste facility, West Elm furnishings support sustainable initiatives, and lululemon is committed to 100% renewable electricity for their owned and operated facilities.

Unplug and Recharge: Wi-fi is intentionally not offered to our guests so that they can disconnect from technology and reconnect with others.

Giving Back to Nature

As lovers of the outdoors and the beautiful lands that surround our camps, Under Canvas has joined forces with The Nature Conservancy (TNC), a global environmental nonprofit working to conserve the lands and waters on which all life depends, to help fund conservation and raise awareness through education, volunteer efforts and donation programs.
