Description

Under Canvas Zion offers an extraordinary, upscale, outdoor hospitality experience just as fabulous as the park itself. Nestled into a red-rock canyon, the property seamlessly blends into the backdrop of America's gorgeous Southwest. Located on 196 acres bordering Zion National Park in Utah, this full solar powered property is just moments away from incredible trails, off-the-beaten-path adventures, and spectacular views of the majestic red rocks and sandstone cliffs that make Zion so famous. In 2021, Under Canvas Zion debuted a multi-million-dollar refresh, including expanded outdoor patio areas, new West Elm soft furnishings inside and out of the main lobby tent, premium espresso beverage selection, tent upgrades and more. In keeping with the brand's Mindful Approach, this location is fully solar powered, sourcing renewable energy from its own onsite solar array.

Mindful Approach

At Under Canvas, our mission is to inspire connections with extraordinary places, people, and the planet by enhancing access to the outdoors. We uphold that mission with our *Mindful Approach*, which comes to life through everything we do: from the design choices we make, to the experiences we

curate for our guests, to the operational initiatives that we implement to help protect and preserve the natural environment.

- Thoughtful Innovation: As pioneers in the outdoor hospitality space, we remain committed to employing thoughtful, low-impact development and operations initiatives across our destinations. We focus on intentionally integrating our camps into the surrounding natural environment and prioritize recycling, solar power, and carbon offset practices whenever possible.
- Resource Conservation: We conserve water and energy with pull-chain showers, low-flow toilets, faucets that automatically shut off, low-level lighting, and a towel-reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Rechargeable USB battery packs are used in guest tents, and electric vehicle charging stations are available at select locations for guests to use throughout their stay.
- International DarkSky principles: We work with DarkSky International to enhance our sky quality, minimize our lighting impact, and educate others on the importance of protecting and preserving the night sky. All of our camps adhere to DarkSky principles, and five are officially DarkSky-certified—making them the first DarkSky-certified lodging properties in the world."
- Land Conservation: Under Canvas destinations are designed to minimize disturbance and maximize open space. As such, we maintain dedicated, undisturbed green spaces at each camp.
- In Good Company: We partner with brands that align with our mission and values—and share the same care for our planet. For example, plant-based EO ® bath products are made in a zero-waste facility, West Elm furnishings support sustainable initiatives, and lululemon is committed to 100% renewable electricity for their owned and operated facilities.
- Unplug and Recharge: Wi-fi is intentionally not offered to our guests so that they can disconnect from technology and reconnect with others.
